1. **Program Background.** The Career Recruiter Force (CRF) allows recruiters the opportunity to become a permanent part of Navy Recruiting Command (NAVCRUITCOM). If selected, members will be assigned key middle management and recruiter billets within NAVCRUITCOM.

a. Members selected for the CRF with Navy Enlisted Classification Code (NEC) 9585 will be assigned to the CRF Leadership Academy, Pensacola, FL for temporary additional duty (TEMADD) prior to completion of their recruiter tour (36 months).

b. Upon successful completion of CRF Leadership Academy, members will be assigned to a new Navy Recruiting District (NAVCRUITDIST) at projected rotation date (PRD) for a 36-month tour.

c. Members currently assigned to duty other than recruiter duty will not be given NEC 2186 until they transfer at PRD to a NAVCRUITDIST and complete CRF Leadership Academy.

d. CRF decertification policy: Members serving in the CRF will, in most cases, do so for the remainder of their naval career. If the commanding officer (CO) of a district believes that a member can no longer be effective as a CRF, CO may recommend the member for decertification from the CRF **without prejudice** per reference (a).

e. CRF termination requests: A member of the CRF who no longer wishes to serve as a CRF may request termination from the community **without prejudice** per reference (a). Members must

complete their obligated 36 months prior to requesting termination.

f. Tour length is 36 months.

2. Requirements/Qualifications. Application procedures and eligibility criteria are promulgated in reference (b). The CRF selection board meets four times per year (February, May, August, and November).
